

Dear Potential Sponsor,

Angels-Net Foundation invites you to become a sponsor for our 2019 programs, which include individual and group support for adults, after-school and summer programs for children, and leadership development for youth.

Angels-Net Foundation (ANF), a 501(c)3 organization, empowers and supports immigrants and refugees to successfully adjust to their new culture in the Greater Worcester community through education, programs and partnerships. My husband and I founded the organization, and as Liberian refugees who escaped a war-torn country, we have experienced first-hand the challenges of moving to a new country and navigating how to live and work in a new culture.

Over the past year, we were able to serve over 100 immigrants and refugees in Worcester, primarily populations from Syria, Liberia, Sudan, Nigeria, Ghana, Cameroon, Philippines, and the Caribbean through programs including the following:

- **Adult classes and workshops** in Computer Literacy, Living and Working in the USA, Citizenship Prep, Entrepreneurship and Marketing, Health and Wellness, and Financial Planning and Budgeting
- **Individual support** in areas of case management, job search and resume preparation, counseling, and legal assistance thanks to community members who volunteered time and expertise
- **Summer program for children and youth** which engaged over 80 students, intended to prevent summer learning loss in math, reading, and writing among immigrant and refugee children, in addition to providing ESL support and assistance adjusting to American educational and cultural expectations, and encouraging learning through play, physical activity, and creativity

In 2019, our goal is to continue to build and strengthen existing adult, children and youth programs including the following:

- **African women's support group**
- **Financial literacy class for adults**
- **Summer and after-school programs for children and youth**
- **And more!**

We can't do it without you. Your sponsorship will help assure the success of these Angels-Net programs, empowering immigrants and refugees in our community to succeed. Enclosed please find more information on the sponsorship levels. Please contact me with any questions at [Maggiej@angelsnetfoundation.org](mailto:Maggiej@angelsnetfoundation.org) or 774-261-4232.

Thank you for considering sponsorship of Angels-Net Foundation!

Sincerely,

*Maggie Jentzen*
